One Stop for Documents and Driver Licenses

The Pinellas County Health Department's Vital Statistics division is again partnering with the Florida Division of Driver Licenses to provide one-stop convenience for residents requesting documents such as birth certificates when they're needed for driver license transactions.

The FLOW (Florida Licensing on Wheels) Bus will be stationed at Vital Statistics' office in Suite 160 at Center Bay, 4175 East Bay Dr., Clearwater, from 9 a.m. to 3 p.m. on these Mondays: March 14, April 25, May 16 and June 13.

This mobile service is self-contained and wheelchair-accessible. It can provide most Florida driver license office services, except for vehicle road testing and some aspects of issuing commercial driver licenses.

The FLOW Bus can process learner's licenses, renewals of licenses or Florida identification cards, replacements, name changes and changing licenses from out-of-state to Florida.

There are new requirements for documents needed for any Florida driver license transaction. For a complete list based on your personal history, go to www.GatherGoGet.com. No applicant without all the required documents will be able to complete any driver license transaction.

Vital Statistics is open weekdays from 8 a.m. to 5 p.m. For information about birth or death certificates, go to http://pinellashealth.com/BirthDeath_Certificates.asp or call (727) 507-4330, ext.1200. Documents may be ordered online for additional fees.

The FLOW Bus accepts cash, checks and these credit cards: American Express, Discover and Mastercard. (VISA is not accepted.) For more information and fee schedules for driver licenses, go to www.flhsmv.gov or call your nearest office driver license office.
